

RICE REPLANTS

PURPOSE

- This function allows rice applicants to start a new application based off of a previous years' application.
- Most information from the previous year will automatically populate to the new application. Applicant will still need to upload current Bulk Sale Certificate, Certified Rice Seed Statement and, as needed, update other information pertaining to current years' application.

California Crop Improvement Association

Mission Statement

The California Crop Improvement Association (CCIA), a nonprofit corporation, is officially recognized as the seed certifying agency under the California Seed Law. The mission of CCIA is to provide services and support research that promotes the improvement, production, distribution and use of superior quality seeds and other agricultural products.
