

APPLICATION RENEWALS

PURPOSE

- This function allows applicants of perennial crops to renew applications from the previous year. This applies to:
 - Alfalfa
 - Asparagus
 - Bermudagrass
 - Clover
- Each year, application renewals will be available in your account in early January and must be submitted no later than February 15.

California Crop Improvement Association

Mission Statement

The California Crop Improvement Association (CCIA), a nonprofit corporation, is officially recognized as the seed certifying agency under the California Seed Law. The mission of CCIA is to provide services and support research that promotes the improvement, production, distribution and use of superior quality seeds and other agricultural products.

App ID: App32498
Applicant: CCIA Milling Co.
Applicant ID: 7000
Grower: CCIA Milling Co.
Grower ID: 7000
Original Cert Year: 2016
Crop: Alfalfa
Variety: CUF 101
Field: test
Original Acres: 80.000
Class to Produced: Certified

Acres to Renew:

[Renew Application](#)
[No Crop*](#)
[Cancel Application**](#)
[Clear Selection](#)

*No crop means the seed crop will not be produced this crop year, but field should remain in certification program for future years.
**Cancels field for this year and removes it from the certification program.

If you need to change the grower, please use the textbox below. If the current grower is correct, this section should remain blank.

Enter Name or Account #:

Only use this box if you need to change the grower.

No grower found. Please enter a grower name or account number below.

If "Acres to Renew" are changed, you will need to upload an updated map to your application after selecting an option below and before it is finally submitted.

Select Renew Application, No Crop or Cancel Application.

**IF ACRES CHANGED,
SELECT APPLICATION FROM “YOUR APPLICATIONS” AND UPLOAD NEW MAP.
FOR INSTRUCTIONS ON HOW TO UPLOAD A MAP SEE “ONLINE APPLICATION
INSTRUCTIONS” ON THE CCIA MEMBERS ONLY PAGE.**
